

Dry Needling Physiotherapy Level 1

The Safety in Acupuncture and Dry Needling online course is a pre-requisite to undertaking Dry Needling Physiotherapy Level 1. There is a self-paced 3.5 hour online component to Dry Needling Physiotherapy Level 1 – Part A. This may be completed as a stand-alone short course or CPD refresher. The face-to-face classroom course is Dry Needling Physiotherapy Part B. Both components must be completed in order to complete the Dry Needling Physiotherapy Level 1 course.
